Access to the theatre

Access to the theatre will be from 17:00 for the evening or 10:00 for the Matinee unless agreed otherwise.

Show start times are at 12:30 for matinees and 19:30 for evening performances unless otherwise agreed with the programming manager.

The interval time will be 20 minutes unless agreed differently with the programming manager.

The stage and auditorium area must be vacated, and all equipment must be removed within an hour of the close of the curtain. Any time over this, the visiting company will be charged a fee at a rate of £50 every half hour thereafter.

Please let your duty Manager know what your policy is with regard to photography and latecomers.

Complimentary Tickets

Both Tom Thumb Theatre and the visiting company suggest that two tickets be allocated to both the theatre and the visiting company; however, this **must be agreed upon before** the event to avoid any unnecessary confusion with ticket sales and payment.
